

Equality and Diversity Monitoring

Liverpool Heart and Chest Hospital is committed to ensuring that our services meet the needs of all our patients, their families and carers. We must also ensure that we made reasonable adjustments for our volunteers that are fair and equitable. Comprehensive equality monitoring will help us to check progress against achieving these goals and strict laws make sure that your details are protected and we deal with them responsibly. The information we collect will be added together so that individuals cannot be identified. We would be grateful if you will help us by filling in the following information.
