Subject: Theatre cancellation figures

Q I wonder whether it would be possible for you to provide information regarding theatre cancellation figures and reasons for cancellation for your Trust for the period 01 April 2014 to 31 March 2015 and return this by 30 June 2015.

A Please see attached file '20150617 FOI request 2015135 - data required - theatre cancellation figures'.

Note: we have done our best to match the reasons but they do not really map therefore we had added a sheet to the spread sheet provided with our figures. This will hopefully allow you to choose how to deal with them.

The FCE figures have been added in case that is what your % column refers to.
