Subject: Locum doctors | costs per hour

Q Please could you provide the below information in respect of the costs per hour of your Locum Doctors;

- Internal Locum / Bank Locum Pay Rates as described in the Trust policy (excluding holiday pay, pensions and employers NI contributions and expenses)
- Total Agency Charge Rate Per Hour (excluding VAT and Expenses e.g. accommodation or travel). I would like both the highest value paid in the month, the lowest and the average per month.

A We currently only have 1 locum consultant they are paid via payroll on a medical grade scale – 2003 Consultant Contract.

Currently do not have Agency Doctors.
