**Date:** 11 March 2016  
**Subject:** Diagnostic Imaging

**Q** I would be grateful if you could provide me with the information set out below in respect of Diagnostic Imaging (DI) at your Trust for the FY 2014/15:

For each of the key Points of Delivery categories (just EL, SSEL, NEL, SSNEL, DC and OP), the numbers and types (e.g. CT/MR/PET-CT/endoscopy) of DIs performed per Primary Diagnosis (ICD) and the number of patients so investigated in that ICD category.

We would only need the first three characters of the Primary Diagnosis code (e.g. C00 to D49 for Neoplasms).

**A** We do not hold information broken down by key points of delivery. However, please see the attached 'LHCH Activity 2014-2015' for total activity figures for 2014/15.

Information not held re number of DIs performed per Primary Diagnosis (ICD) and the number of patients so investigated in that ICD category.
