

Council of Governors Elections 2017 Merseyside, Cheshire and North Wales public constituencies

Could you be a Public Governor at Liverpool Heart and Chest Hospital?

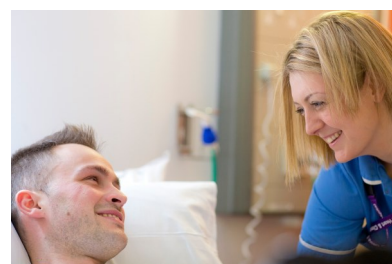

We want to hear from anyone interested in becoming a Public Governor at Liverpool Heart and Chest Hospital in our forthcoming elections for our Merseyside, Cheshire and North Wales constituencies.

Governors are members of the public who help to shape the future of the hospital and represent the views of our foundation trust members and patients in communities across the North West. It's an important role so why not get in touch or come to our information event and find out more?
