Subject: Clinical system expiration - RIS

Q1 I noticed that your trust's RIS system with Wellbeing Software (formerly known as HSS) expired in 2019-01-01.

May I ask if you have a new contract expiration date and are they annually renewed?

A1 [The Trust had an option to extend for up to five year and has taken an extension – new expiration date January 2024](#)

Q2 Please let me know if they are still in use and if not, what supplier systems have replaced them.
