

Reference Number: FOI/2019/109
From: Commercial
Date: 06 March 2019
Subject: Diagnostic tests for specific infectious diseases April 2017 to March 2018

Q1 Under the Freedom of Information Act, we are asking for information about the number of diagnostic tests carried out at your NHS Trust for certain infectious diseases in the twelve months from April 2017 to March 2018.

Please would you complete and return the attached table in as much detail as possible. The Pathology Laboratory or Point of Care co-ordinator at your Trust may have this information readily to hand.

A1 Information not held - The Trust out sources our Laboratory services to Liverpool Clinical laboratories. The Trust's Electronic Patient Record is used to request investigations but these requests do not include the detail required for this request.

Liverpool Clinical Laboratories which is a contractual joint venture owned by both Aintree Hospitals NHS FT and Royal Liverpool and Broadgreen University Hospitals NHS Trust. You will need to re direct your request to those organisations respectively.
