Subject: Dental instruments

- Q1 I was just wanting to know whether you utilize single use dental instruments within your dental clinic? (Single use instruments include diagnostic and restorative instruments such as dental mirrors, probes, tweezers, ball burnishers, flat plastics etc the list goes on).
- A1 [The dental team use single use mirrors, probes and tweezers only for ward based dental examinations.](#)
- Q2 If you do utilize these within your clinic what brand of instruments do you use?
- A2 [Unodent.](#)
