Subject: The National Health Service (Quality Accounts) (Amendment) Regulations 2017 - Deaths

Q1 Please send me:

1. The figures published quarterly, as required by the The National Health Service (Quality Accounts) (Amendment) Regulations 2017, and directed by the National Quality Board National Guidance on Learning from Deaths, on the number of deaths in the Trust that were subjected to a case record review and were judged more likely than not to have been due to problems in care, for each quarter that they have been published.
2. If no figures have been published please provide an explanation regarding why the Trust believes it has complied with The National Health Service (Quality Accounts) (Amendment) Regulations 2017.
3. Whether the Trust uses the Learning from Deaths Dashboard issued with the National Guidance.

A1 1. [Information exempt under Section 21 of the Freedom of Information Act 2000 - 'Information reasonably accessible to the applicant by other means'](#).

The dashboard and the public board report providing background narrative are available quarterly in the public domain as part of board proceedings published on the Trust's website – last published January 2020:

<http://www.lhch.nhs.uk/about-lhch/our-board-of-directors/board-of-directors-meetings-2020/>

These are also sent to local commissioners and discussed at the commissioning quality meeting. There is no other requirement and no reporting nationally.

2. Not applicable as per 1. above
3. Action from learnings is taken forward as appropriate – see published board reports
