All of the funds raised by Orchard Way benefit thousands of people living with heart and lung disease

Your support will help us purchase the most up to date equipment, provide patients and their families with the additional facilities that make their lives a little easier and support our research as they find new ways of treating and curing heart and lung disease.

Thank you for helping us to help them.

Orchard Way has been developed as a beautiful forest scene and provides a lovely addition to the hospital.

You can be part of this wonderful display by selecting one of the shapes or leaves on the tree. Not only will you be sharing your special memories with us but you will also be supporting the work of LHCH Charity at the same time.

It's so simple to join in, just pick your shape, complete the form opposite and return it with your donation to us at the freepost address on the leaflet.

If you would like to know more, including how you can have your shape by making easy monthly donations just give us a call on 0151 600 1409, visit our website [www.lhchcharity.org.uk](http://www.lhchcharity.org.uk) or drop us an email and we can take it from there.
