

Reference Number: FOI202324//042
From: Commercial
Date: 25 April 2023
Subject: Information regarding Electromagnetic Navigation (EMN), Virtual Navigation Bronchoscopy (VBN), and Planning Systems used for Bronchoscopy and Thoracic surgery.

Information regarding Electromagnetic Navigation (EMN), Virtual Navigation Bronchoscopy (VBN), and Planning Systems used for Bronchoscopy and Thoracic surgery

- Q1 Does the trust have the following brand of EMN, VBN, or Planning Systems on-site?
- SuperDimension™ navigation system (Medtronic)
 - ILLUMISITE™ Platform (Medtronic),
 - LungPoint Virtual Bronchoscopic Navigation System (Broncus Medical)
 - The Archimedes System (Broncus Medical),
 - We do not have any of these systems on-site. We use a different system (please can you provide details of the system)
- A1 a-d. Information not held – The Trust does not use any of these systems
e. Information not held – The Trust does not currently detail if endoscopes have ENM fitted so we have provided a list of the Trusts flexible endoscopes, detailing model, manufacturer and purchase date.
- Q2 How many of the following ENM, VBN, or Planning Systems are at each site?
- A2 Information not held as per A1- Liverpool Heart and Chest Trust is a single site hospital
- Q3 Location of the ENM, VBN, or Planning Systems used on site? (i.e., endoscopy or theatres, etc.,)
- A3 Information not held as per A1 – We do currently have flexible endoscopes in theatres and endoscopy however
- Q4 Please provide the age of the ENM, VBN, or Planning Systems
- A4 Information not held as per A1 – however please see attachment *Response FOI202324042* for details of the Trust's flexible endoscopes
- Q5 Number of consumables (*biopsy needles, forceps, and brushes*) used per annum (Usage figures if possible)
- A5 Information not held - the Trust does not routinely collate or hold this information centrally as part of its management or performance data.
- Q6 Are the consumables part of a consignment deal, if so when will it expire
- A6 No

Q7 Are the consumables purchased direct or through the NHS supply chain?

A7 Purchased through NHS supply chain

Q8 Is there a minimum spend (for consumables) that each site is committed to?

A8 No
