Subject: Total Spend and Budget for Translation Services for past 5 years

I would like to make a request for information under the Freedom of Information Act regarding the following

Q1 The spending per financial year on translation services (written) and interpreting services (oral) for your organisation over each of the following 5 financial years: 2015/2016, 2016/2017, 2017/2018, 2018/2019, 2019/2020, as well as the languages involved. Please do not include data regarding the spending on services for the deaf and blind (such as sign language interpreting or Braille).

A1 Information exempt under Section 21 of the Freedom of Information Act 2000 - 'Information reasonably accessible to the applicant by other means'.

This information is available on our website, it can be found in our 2020 Disclosure Log, please see FOI Request Ref: 227:

Enter the year into the **Category field** and reference number into the **Title field** then click Search. Select Download to open.

Q2 The total budget for your organisation for each of the 5 financial years the information above is provided on, for all expenses not just for translation and interpreting services, i.e. to include all expenses such as salaries, utilities, equipment, consumables etc., with only the total figure given, no breakdown necessary. For example, I assume the total budget would be a few dozen or hundred million pounds per financial year. This is so that I can calculate the translation and interpreting spending as a percentage of the organisation's total budget (which I suspect would be around or under 0.1%).

A2 Information exempt under Section 21 of the Freedom of Information Act 2000 - 'Information reasonably accessible to the applicant by other means'.

This information is available on our website, it can be found in our Annual Reports and Accounts:
