

**Reference Number:** FOI202223/064  
**From:** Other  
**Date:** 24 May 2022  
**Subject:** Number of hospital social workers currently employed by your Trust, number of non-social work registered staff currently employed in hospital social work teams and number of vacancies for social workers and non-social work registered staff

'Hospital social workers' include employees registered with a social work regulator, who spend more than 50% of their working time facilitating hospital discharge or providing other social work services to inpatients of acute NHS services, **excluding** mental health. 'Non-social work registered staff' includes staff who provide a similar service to social workers, but who are not registered with a social work regulator. Please **do not** include any staff whose posts are funded by the NHS or other bodies, but whose contract of employment is with the local authority.
