Subject: Use and Disposal of Face Masks

- Q1 How many face masks the trust uses per day (if you don't have data broken down by day, a total number of masks used since the start of the pandemic, accompanied by the specific time period, will serve the same purpose)
- Q2 How these masks are disposed of?
- Q3 If these masks are incinerated, please provide me with any information the trust has on the emissions produced by doing so. This could include estimates/data/reports/memos - and if you only have information for PPE generally during the pandemic, I'm happy to receive that.
