Q7 Would the trust be happy for us to contact the SRO to setup a meeting to discuss EV Strategy and Policy?

A7 The Freedom of Information Act 2000 (FOIA) provides a right of access any recorded information held by a public authority and to be valid under Section 8 a request must:

- be in writing;
- include the requester's name and an address for correspondence
- describe the information being requested

Having considered this question we do not deem that this question meets the criteria for a valid request for information under the FOIA, as it is asking for perspective and opinion rather than recorded data or information held by the Trust i.e. it does not 'describe the information being requested'.
