Subject: Incidents of Racism/xenophobia against Trust staff

Q1 Please tell me how many times your Trust has logged an incident of racist/xenophobic behaviour from patients towards staff in 2020.

A1 Zero

Q2 For the five most recent cases, please tell me:
a. the job title of the member of staff against whom the behaviour was levelled
b. a brief summary of the content of the complaint (e.g. patient told black doctor to 'go back to where he came from', raised voice and used profanities)
c. the action taken by the Trust.

A2 Information not held - Not applicable as per A1 above.
