Q1 I would like to see any minutes or documents that were sent or received by the Trust's Ethics Committee in relation to treatment of people with disabilities (physical or learning) since March 2020 to date.

A1 Information not held - the Trust does not have an Ethics Committee for review of specific cases. These tend to be discussed at Divisional level by the clinicians. No reviews of patients with special needs or disabilities have taken place by divisions.

Q2 I would also like to see any correspondence that was received by the ethics committee from medics. If you are not able to release this because of data protection, please let me know when the email/letter was sent and the substance of the request.

A2 Information not held – as per A1 above.
