Subject: X-Ray Systems in use

Q1 I am writing to make a request for information under the Freedom of Information Act 2000, this time regarding your **X-ray equipment**.

Could you kindly review both of the enclosed documents (see attached)? The PDF contains our list of questions, and your answers to those questions should be populated into the Excel spreadsheet.

Please supply us with all of the relevant information and respond back to me with your populated Excel Spreadsheet, at your earliest convenience.
