Subject: Grants relating to reinforced autoclaved aerated concrete (RAAC)

- Q1 How much money has Liverpool Heart and Chest NHS Foundation Trust applied for to fix issues related to reinforced autoclaved aerated concrete (RAAC) in the building in the last 10 years and up to the end of the current NHS spending review period.
- Q2 If there are multiple hospitals looked after by this trust, please separate the sums applied for each.
- Q3 I would like the amounts requested, who its requested from and the dates of submission, then the amounts received, who it was received from and the dates of receipt.
- A3 [Information not held – the Trust has not had RAAC on site](#)
