

Reference Number: FOI/2020/274
From: Press/Media
Date: 01 October 2020
Subject: Coronavirus Transmission in Hospital

- Q1 The number of patients in your hospital(s) who tested positive for Covid-19, having tested negative at their time of admission. Please note this FOI concerns only inpatients who contracted coronavirus during their time in hospital.
- A1 There were 9 patients who died within 28 days of the positive sample being taken who were defined as either Hospital-Onset Probable Healthcare-Associated or Hospital-Onset Definite Healthcare-Associated.
- Q2 The number of these patients who subsequently died from Covid-19.
- A2 There were 4 patients who died with a direct relation to their Covid-19 infection.
