Date: 02 November 2022
Subject: Commercial services provided to international clients

- Q1 Other than overseas patients treated within the UK, has your Trust (directly or via a subsidiary) provided any commercial services to international clients?
Note. This may include services provided to individuals or to organisations, provided within the UK or in another country. Examples include fee-paying observerships/fellowships for overseas visitors; the delivery of fee-paying training courses to international audiences; advisory contracts with overseas institutions; and the running or accreditation of health facilities in another country
- A1 [Information not held – the Trust does not routinely collate or hold this information centrally as part of its management or performance data.](#)
- Q2 If yes to #1, please provide a summary of activities undertaken and the total income received in each year since 2010.
- A2 [See A1](#)
