Subject: Number covid-related capital bids that have been approved centrally since 17th March 2020

I would like to know how many covid-related capital bids have been approved centrally since March 17 and was hoping you could answer a few questions. To avoid confusion, covid-19 related capital refers to bids submitted in respect of the covid-19 capital expenditure scheme: <https://www.england.nhs.uk/coronavirus/wp-content/uploads/sites/52/2020/04/COVID-19-capital-reimbursement-process-27-04-20.pdf>. All other types of capital bids should not be included.

Q1 I've attached a spreadsheet with questions that should make it easy to record each of the bids your trust has submitted.

A1 Please see attached document: [FOI 287 Response](#).

Q2 The total value of your covid-related capital bids.

A2 £1,748k.

Q3 The total in funding you've received for covid-related capital bids.

A3 £227,000 confirmed.

Q4 How many bids you have made and how many are awaiting central approval.

A4 3 bids made, 1 awaiting central approval.
