Subject: Expenditure over £25,000 in machine readable format

Q1 Thank you for publishing your data on expenditure over £25,000. However, I notice that your spend data is in pdf format for the months December 2020, January 2021 and February 2021, which is not machine readable and so cannot be used for data analysis.

I'd like to make a request under the Freedom of Information Act for all transactions over £25,000 from December 2020 to February 2021. Please provide the data in a machine readable format (preferably csv). As a minimum, please make sure to include the date, value and recipient of each transaction. Please also provide details on the procurement category of each transaction if you have it.

A1 Data for December 2020, January 2021 and February 2021 have now been published to our website in excel format.

Information exempt under Section 21 of the Freedom of Information Act 2000 - 'Information reasonably accessible to the applicant by other means'.
