

Reference FOI/2019/397

Number:

From: Other

Date: 01 October 2019

Subject: Electronic Patient Records (EPR) and record digitalisation

Q1 Paper:

- 1. Do the clinical areas in the Trust still use paper records?
- 2. Do the clinical areas in the trust still use paper to record medical observations?
- 3. Do any paper documents get scanned into the Electronic record?
- 4. How many documents get scanned into the Electronic document per annum?
- 5. How much is the trust spending on scanning paper documents into the Electronic record per annum inclusive of resources and hardware?
- 6. Is the Trust still using paper for patient questionnaires?
- 7. Is the trust still using paper for procedural consent documentation?

A1 See attached document - FOI Questions - Electronic Patient Records FOI2019397

Q2 EPR:

- 1. Has the current system got the functionality to store photographs and videos within the patient record?
- 2. Does the patient record system include digital signature for patients signing legal documentation?
- 3. Does the current system have a function where patients can access their own health record?
- 4. Does the EPR have a function for clinical noting used on ward rounds?
- 5. Does the system have Medical documentation templates that can be changed to suit specialised needs?
- 6. Does the system have an Administration Function?
- 7. Does the system have Administration dashboards that feed outcomes from medical documentation?
- 8. Does the system contain different modules, if so, what modules are they?
- 9. What are the System costs per user if applicable?
- 10. Cost of application?
- 11. What are your On-going maintenance costs or SLA?
- 12. How many staff are using the system?

A2 See attached document - FOI Questions - Electronic Patient Records FOI2019397

- Q3 BI:
- Does the system have Medical OPC Coding Information and storage?
- Does the system have its own Business information analysis tools?

A3 See attached document - FOI Questions - Electronic Patient Records FOI2019397

- Q4 General:
 - What is your approximate Outpatient activity per annum?
 - What is your approximate Inpatient Activity per annum?

- TIE costs per annum?
- What PAS system do you use?
- What are your PAS costs per annum?
- A4 See attached document FOI Questions Electronic Patient Records FOI2019397
- Q5 Self-Check In Yes/No
- A5 See attached document FOI Questions Electronic Patient Records FOI2019397
- Q6 Theatre:
 - Does the EPR have an integrated Theatre logistics system?
 - Is the Theatre logistics system into the Patient record system or does the users need to log into a separate system to plan Theatre lists and complete Theatre Documentation?
 - What system is used to produce Operation notes and is this system integrated into the patient record?
 - What is the Theatre system costs per annum?
- A6 See attached document FOI Questions Electronic Patient Records FOI2019397
- Q7 Order Communications:
 - Order Communication system for Radiology?
 - · Order Communications system for Laboratory?
 - Results/Diagnostic system or alerting Radiology?
 - Results/Diagnostic system or alerting Laboratory?
 - Is the Order Communications system integrated into the Patient record system or does the user need to log into a separate system to order diagnostics?
- A7 See attached document FOI Questions Electronic Patient Records FOI2019397

FOI Questions - Electronic Patient Records FOI2019397 QUESTIONS	RESPONSES
Paper	
Do the clinical areas in the Trust still use paper records?	Yes
Do the clinical areas in the trust still use paper to record medical observations?	Yes - however not for all observations
Do any paper documents get scanned into the Electronic record?	Yes
How many documents get scanned into the Electronic document per annum?	2018/19 -140,480
How much is the trust spending on scanning paper documents into the Electronic record per	£7,000 per month staff costs which includes document preparation, scanning and quality
annum inclusive of resources and hardware?	assurance processes. Hardware was purchased 6 years ago therefore no ongoing costs other
annum metusive of resources and naruware:	than scanner maintenance which is £521 per service for both machine.
Is the Trust still using paper for patient questionnaires?	Yes - however some are electronic
Is the trust still using paper for procedural consent documentation?	Yes
EPR	
Has the current system got the functionality to store photographs and videos within the	Yes
patient record?	
l'	Vec but not currently deployed
Does the patient record system include digital signature for patients signing legal documentation?	Yes but not currently deployed
Does the current system have a function where patients can access their own health record?	Yes but not currently deployed
	v
Does the EPR have a function for clinical noting used on ward rounds?	Yes
Does the system have Medical documentation templates that can be changed to suit	Yes
specialised needs?	
Does the system have an Administration Function?	Yes data in the Trusts EPR is used to update the Trust PAS
Does the system have Administration dashboards that feed outcomes from medical	Yes
documentation?	
Does the system contain different modules, if so, what modules are they?	Information exempt under Section 21 of the Freedom of Information Act 2000 - 'Information
	reasonably accessible to the applicant by other means'. This information is available online at
	https://uk.allscripts.com/
What are the System costs per user if applicable?	Information not held - System is not costed per user
Cost of application ?	£1.6m over 5 years
What are your On-going maintenance costs or SLA?	Information not held - included in above cost
How many staff are using the system?	1000
<u>BI</u>	
Does the system have Medical OPC Coding Information and storage?	Clinical Coding is entered into PAS system
Does the system have its own Business information analysis tools?	Yes
	T
General What is a source as a substitute of the still the source and the still the source as a source as	Information account and a Costina 31 of the Freedom of Information Act 2000. (Information
What is your approximate Outpatient activity per annum?	Information exempt under Section 21 of the Freedom of Information Act 2000 - 'Information
	reasonably accessible to the applicant by other means'. This information is available from our
