

**Reference Number:** FOI202223/470  
**From:** Private Individual  
**Date:** 01 March 2023  
**Subject:** Local Treatment Guidelines for Atopic Dermatitis (Atopic Eczema)

Q1 Does Liverpool Heart and Chest NHS Foundation Trust have any local treatment guidelines, pathways or protocols for the treatment of Atopic dermatitis (Atopic eczema)?  
a. If Yes, please provide a copy.

A1 Information not held - While topical emollients and moisturisers are prescribed for eczema/stocked in pharmacy, we do not have any local treatment guidelines, pathways or protocols for the treatment of atopic eczema.
