Subject: The Trust's post processing software for CMR

Information regarding your hospital's post processing software for CMR.

Q1 The date of expiry for the licenses purchased.

A1 Circle CVI – 31st March 2027
Siemens Syngo Via 31st August 2027

Q2 The number of licenses your hospital has purchased.

A2 CVi42 – 34 licenses
SyngoVia -14 licenses

Q3 The cost of licenses purchased (individually and in total including any ongoing support costs).

A3 Licences for Circle CVI were purchased at a cost of £115,000 with an annual maintenance charge of £9,000.

Licences for Syngo Via were purchased as part of a Managed Equipment Service contract at a cost of £258,000 with an annual maintenance charge of £33,548.

Individual licence values have been exempted (Section 43) due to the potential damage to commercial interests of the current suppliers as release of this information and any other unique pricing likely to be requested for disclosure would allow other competitors a significant competitive advantage and thus harm the commercial interests of our current suppliers.
