

Reference Number: FOI/2019/495
From: Press/Media
Date: 10 December 2019
Subject: Demand side response agreements

Q1 Details of any demand side response (DSR) agreements between your organisation and National Grid, including the dates of those agreements

A1 Information not held – the Trust is not responsible for incoming electricity to the healthcare site, control rests with another hospital trust.

You may wish to re-direct your request to the Royal Liverpool and Broadgreen University Hospitals NHS Trust on the following address: foi@rlbuht.nhs.uk

Q2 Copies of any of the above agreements, or relevant letters/emails exchanged with National Grid if you do not hold a formal agreement document

A2 Information not held – as per A1
