

Board of Directors (in Public)

Item 3.1

Subject: Liverpool Heart and Chest Hospital Five Year Strategy
Date of Meeting: Tuesday 28th July 2020
Prepared by: Jon Develing, Director of Strategic Partnerships
Presented by: Jon Develing, Director of Strategic Partnerships
Purpose of Report: For Approval

BAF Ref	Impact on BAF
5.1	Final version of the Strategic Plan presented in Public

1. Executive Summary

The purpose of this report is to provide the Final Draft to the Board of Director's with regards to the development of the Liverpool Heart and Chest Strategy 2020/25 and to present this within the public domain.

2. Background

Publication of the strategy has been delayed on instruction following Sir Simon Stevens letter February 2020, which asked for all such publications to be deferred so not detracting from the National covid response.

3. Development of our Strategy

The strategy has been developed through an extensive series of internal engagement and workshop, influenced by external developments including the NHS Long Term Plan, Cheshire and Merseyside Health and Care Partnership Plan and the One Liverpool Plan. Our council of governors have also input to its development.

Due to the coronavirus outbreak we have taken the opportunity to refresh the strategy so as to include the learning from Covid-19 and the updated work in respect of our PACT values.

4. Recommendation

The Board of Directors are asked to approve the 2020/25 Strategic Plan, Patients, Partnerships and Populations.
