

Council of Governors Development Group 9th May 2023

LIVERPOOL HEART AND CHEST HOSPITAL
ENTRANCE

Constitution

Non-executive assurance committee of BOD

- Three Non-Executive Directors
- Director of Nursing, Quality and Risk
- Medical Director/Deputy

Meetings 4 times per year

Main priority and objective:

To provide the Board of Directors with an independent and objective review of quality governance:

- To review and scrutinise assurances that the Trust's strategic priorities for quality and safety improvement are identified
- To ensure that appropriate quality standards in relation to clinical outcomes, safety and patient and family experience are set and compliance with them is monitored.

Specific area of responsibility: BAF section 1

- Patient safety
- Clinical quality and effectiveness
- Patient and family experience
