Subject: Email encryption and E-signatures Supplier and Contract information

Q1 Email encryption

- a. Do you have a product or supplier for email encryption?
- b. If so, please can you supply details of the contractual arrangements in place including date of award, details of any Framework used or link to the advertisement, contract value and duration.
- c. If so, please can you indicate the plans for future procurement of this product?
- d. If not, please can you indicate what evaluation of the requirement for email encryption has been undertaken?
- e. Please can you confirm the individual responsible for managing your email encryption contract or wider cyber security contracts and provide their contact details and role title?

A1 Information not held - no specific contract in place for email encryption. We use standard Microsoft Office 365 encryption functionality.

Q2 E-signatures

- a. Do you use a specific product or solution for electronic signatures?
- b. If so, please can you confirm the name of the supplier from which this solution is purchased
- c. If so, please can you supply details of the contractual arrangements in place including date of award, details of any Framework used or link to the advertisement, contract value and duration.
- d. If so, please can you indicate the plans for future procurement of this product?
- e. If not, please can you indicate what evaluation of the requirement for email encryption has been undertaken?
- f. Please can you confirm the individual responsible for managing your e-signature solution contract or wider cyber security and provide their contact details and role title?

A2 Information not held – there is no electronic signature solution in use.
