Subject: Radiology Software System for patient dose recording and management

Q1 Do(es) your hospital(s) have a software system capable of patient radiation dose recording and management in radiology? (Note: this could be a stand along product or be part of a PACS or other radiology platform solution)

A1 Yes – Dose Monitor

Q2 If so, is it a commercially available system or a system free of cost to use?

A2 Commercially available from PACS Health.
