

Reference Number: FOI202324/425
From: Private Individual
Date: 20 December 2023
Subject: List of continuous renal replacement therapy or haemofiltration devices used in Critical Care

Q1 Could you please give me a list of all the brands, models, and ages of all the continuous renal replacement therapy or haemofiltration devices in the trust that are used in Critical Care?

A1

Hospital Site	Brand	Model	Date of Purchase/Install
LHCH	Fresenius	Multifiltrate Pro	June 2017
LHCH	Quanta	Quanta SC+	Feb 2021 (These will be withdrawing from the UK in March 2024)
