

Reference Number: FOI202324/498
From: Commercial
Date: 29 January 2024
Subject: Fibrinogen Concentrate, Prothrombin Complex Concentrate, DOAC Antidote, and blood products

Q1 I would like to submit an FOI request for the number of patients and vials for the below products at Liverpool Heart and Chest Hospital NHS Foundation Trust used in 2023 (total January to December), broken down by brand, if possible.
If not all products are available at your institution, would it be possible to fill in the data that you have access to/ can share?

Platelets	Blood banks		(please specify volume)	
Factor XIII				
Fibrogammin	CSL Behring		250IU 4ml	
			1250IU 20ml	

A1 In response to your request, the majority of items listed are blood products and would not be provided by our in-house Pharmacy Department, these would be supplied by the Liverpool Clinical Laboratories.

Information not held – laboratory services for the Trust are provided by Liverpool Clinical Laboratories.

Liverpool Clinical Laboratories is a division of Liverpool University Hospitals NHS Foundation Trust. Please re-direct your request to: FOIRequests@liverpoolft.nhs.uk

In relation to items Ondexxya (andexanet alfa) and Praxbind (Idaracizumab), the Trust have no record of the items being ordered or used during 2023.
