**Q1** How many fatalities have been due to cancer wrong diagnosis or failure/delay diagnosis in the last three years (Between 2021-up to and including any data held for 2024)?

**A1** Information not held – the Trust does not routinely collate or hold this information centrally as part of its management or performance data.

Liverpool Heart and Chest Hospital (LHCH) is a specialist adult cardiothoracic centre. We do not offer any oncology treatment at LHCH. Patients requiring Oncology treatment are often referred to Clatterbridge Centre for Oncology.

We advise directing oncology requests to them: <https://www.clatterbridgecc.nhs.uk/about-centre/access-to-information/freedom-information-foi>
