Subject: Private Patient Non Contractual Tariffs

Q1 Please can I ask you to provide your Trust's Private Patient Non-Contractual Tariffs, i.e., the self-paying tariffs, not tariffs held with private medical insurance companies

A1 Information exempt under Section 43 - Due to the potential damage to commercial interests of the current suppliers as release of this information and any other unique pricing likely to be requested for disclosure would allow other competitors a significant competitive advantage and thus harm the commercial interests of our current suppliers.
