Subject: Trust Migration to Microsoft 365/ The Cloud

- Q1 When did the Trust initially begin migrating to Microsoft 365/The Cloud?
- A1 The Trust started its migration to Office 365 in 2021. Our Office 365 enterprise agreement /subscription for LHCH started on 30th April 2021 and our full scale migration would have commenced shortly after the licences were available for use.
- Q2 Was an audit done before the Trust migrated to Microsoft 365/ The Cloud, to understand what the Trust's requirements were?
- A2 A basic audit would have been undertaken as a matter of course to identify the Trust's usage requirements that were scoped prior to procuring Office 365 licences.
- Q3 Were any incentives given in order to encourage the Trust to migrate?
- A3 All NHS Trusts were incentivised by the national NHS discounted pricing agreed by NHS Digital in 2020 for both national and local tenants.
