

Reference Number: FOI202425/180
From: Commercial
Date: 01 August 2024
Subject: Electronic Patient Record (EPR) systems

Q1 I am submitting this request to gather insights into Electronic Patient Record (EPR) systems used across the NHS (including primary care, community and acute organisations) and their respective procurement processes, existing contracts and annual costs. Please find this broken down in structured sections below.

Organisation Name:

Care Sectors Covered

- Acute trusts
- Mental health trusts
- Community trusts
- Ambulance trusts
- Primary care
- Any other relevant NHS bodies

EPR Systems Usage:

A detailed list of all EPR systems currently in use across all NHS sectors, including but not limited to:

- Acute trusts
- Mental health trusts
- Community trusts
- Ambulance trusts
- Primary care
- Any other relevant NHS bodies

A1 [Please see attachment – 180 FOI Response](#)
