**Subject:** Spend on maintenance costs for the past 10 years

Q1 Can you please provide data on the amount (£) spent on maintenance costs of hospitals and other spaces each year for the past 10 years.

Where possible please break down the specific areas where the money is spent.

Specifically, how much money is spent on the following -

- Unblocking toilets
- Fixing faulty lifts

A1 Information not held – the Trust does not routinely collate or hold this information centrally as part of its management or performance data.

We do not hold the spend information at the level of breakdown requested or for that length of time

Q2 What percentage of total spending each year is spent on maintenance of spaces.

A2 As above
