

Reference Number: FOI202425/471
From: Private Individual
Date: 23 January 2025
Subject: Wound Formulary

Q1 Does the organisation have an 'open' formulary which can be added to at anytime?
Yes/No

A1 [Yes, the Trust has a wound formulary which can be added to](#)

Q2 If No, and the formulary is 'closed' and reviewed on a regular basis, please could you confirm the last date it was renewed to its current status and when is it next open for review?

A2 [Not applicable as per a1](#)

Q3 Who, within the organisation is the most appropriate person to contact in relation to (a) the formulary process and (b) the provision and oversight of wound care?

A3 [The Tissue Viability Service](#)
